**SIMPLE SKIN CARE
DRAMATIC RESULTS**

Skin Care by Janice Otis does what resort spas don't—continuity and customization of your skin care program. Sure, a periodic trip to a resort is great, but the results won't last...and it's expensive. Janice Otis, licensed Esthetician, will tailor an ongoing program based upon your specific needs and provide a skin care program designed to keep your skin healthy, youthful and vibrant. THE FOLLOWING TREATMENTS KEEP THE YOUTH IN YOUR SKIN!

Microdermabrasion*

Diamond Head Machine is a deep exfoliation that sloughs off dead skin cells on the face, neck and chest. Aids in even exfoliation of skin cells, leaving the skin smooth and soft with reduced lines and even tone. Helps with lightening skin pigmentation and pore size reduction. You'll notice an overall healthier glow immediately as a result of improved cell renewal and collagen production. Most microdermabrasion treatments add a mild peel for just \$25.00 more to aid in deeper exfoliation. The results are incredible. A series of 6 treatments is recommended, 7-10 days apart.

\$75.00/each or \$400.00 for the series of 6

Light Therapy Rejuvenation Facial* (LED)

Is a deep-penetrating light that stimulates collagen production. Experience the amazing results for yourself. It keeps the "youth" in your skin, softens lines, provides visible firming and even slows the aging process. A series of 7-10 treatments is recommended and can be combined with ultrasound therapy for superior results. You can add maintenance to a facial every 3-4 weeks. Experience this treatment for yourself and see why it is a favorite for many!

Series of 7 treatments...\$500.00

Treatment with glycolic...\$95.00

Treatment with glycolic and facial...\$150.00

Individual treatment...\$75.00

Treatment with facial...\$130.00

Ultrasound Therapy* (Ultherapy)

Aids in the deep penetration of highly concentrated products into the lower layer, the dermis, of the skin. The results are amazing in both anti-aging and acne treatment. The anti-aging difference is a more hydrated, smooth, firm, youthful, rested look. Helps in recovering and stimulating collagen production and elastin. Helps in lightening skin pigmentation. The acne difference is reduced reddening, smoother skin, less new breakouts and current breakouts that heal more quickly. Ultrasound therapy can be performed as an individual treatment or added to a facial. A series of 6 treatments is recommended.

\$75.00/each or \$400.00 for the series of 6

Revitalizing Eye Treatment*

Smooths and refines lines in eye area, leaving you looking refreshed and hydrated with a healthy glow and even skin tone. Can be added to another skin care treatment.

20 mins...\$25.00

Teen Blue LED Light

Helps to heal and repair skin from acne, allowing for quicker healing of blemishes, helping to lighten discoloration of the acne area and slowing the production of new acne. Each acne client responds differently.

Series of 6 treatments...\$400.00

Individual treatment...\$70.00

Bridal Facial Treatments

Recommended to begin 3 months prior to wedding, it will allow you to have that healthy glow for all your wonderful photos. For first 2 months, one treatment per month suggested. For month of wedding, two treatments suggested. Each treatment consists of a facial and a peel. Last treatment includes facial, peel and LED.

Facial and Peel...\$115.00
